

Welcome/Appreciation

Kristin – looking forward to next year. It was a good year.

No May Minutes

Principal's report

No report

Treasurer's report

Marina - +\$7000 in budget. Still about \$500 in bills. Looking positive for next year. Everything should be closed out and ready in July

Equality/Inclusion Update

Krista – Kashanna is the new co-chair for next year. Channel 2 is coming to do a feature story on Brickspace, Krista is going to put together some stuff to talk about what we are doing for E/I in RSE (like legos with Story time). Ruby Bridges day (November) coming again next year. Circles for social change coming back and being more proactive. Amanda Campbell did a session with the PLC teacher's group about restorative justice. She also came after Uvalde to talk to teachers & did trauma counseling. Working with Wendy & Jill on the E/I story time. Re-thinking story time so it is maybe not so often (bi-weekly, monthly, etc.). Want to highlight what families want to share – become more volunteer driven. Working with Lyndsey Jump to possibly do it in the library.

Motioned & seconded. Approved for Krista to use the RSE PTG name to talk to Channel 2 about the E/I stuff.

Marina – put the information together to put it on the FB page.

Fundraising

Adela – thanks to Krista & Laura for helping put together things for the last fundraised. \$245 requested from Marina for thank you to the local businesses who help sponsor. Benicia magazine allowed us to do a small article that will come out in August. Hopefully it helps with some more money in the following year. Planning for the same way the boosterthon went last year. Made \$33,000 after the fees.

Krista – wasn't there an issue about the prizes?

Marina – they weren't supposed to give them out, they were supposed to raffle them so that kids who couldn't raise money wouldn't feel left out. They had already sorted things by the time anyone knew what was going on.

Krista – can we revisit this next year?

Marina – yes. It went a little quickly this year, we will look into it next year. Need to look into it because the flyers show the prizes for the different categories.

Nikki – maybe with some extra prizes that can be raffled to kids just for registering

Adela – little gifts for the office staff for doing a lot of the work for boosterthon

Schedule budget & calendaring meeting for July

Budget meeting is just treasurer & principal. Calendaring meeting is fundraising, VP, treasurer, principal.

Calendaring needs all the fundraising events.

Budgets needs the budget for each department, as well as all events that are planned.

Email information to Marina for the meetings.

Budget & calendars need to be done for the July board meeting.

Plan for board meeting on July 26
